*The Siberian Lutheran Mission Society is a
501(c)(3) not-for-profit organization, and a
Recognized Service Organization of The
Lutheran Church–Missouri Synod.*

The goal of the Siberian Lutheran Mission Society is to build a \$7 million fund by 2023 to make the Lutheran seminary in Russia self-sufficient.

Lutheran Theological Seminary in Novosibirsk, Siberia, was established by Concordia Theological Seminary in 1997 to train Russian-speaking men as Lutheran pastors and build a seminary in Russia.

The seminary is now a strong, independent institution, managed and staffed by a first-class faculty of Russian-speaking pastors. It is no longer necessary for Concordia to send professors from the United States or to oversee the operations of the Novosibirsk seminary.

Please consider supporting this mission endeavor to create ongoing, permanent support for the Novosibirsk seminary. Your one-time gift, five-year pledge, or a contribution from your estate can help rebuild the Lutheran Church in Russia. Your contribution matters.
